

CURRICULUM VITAE

GIACOMO BONANNO

<http://www.econ.ucdavis.edu/faculty/bonanno/>

gfbonanno@ucdavis.edu

EDUCATION

Ph.D. London School of Economics, 1985

M.Phil. Cambridge University (U.K.), 1981 (distinction)

Law Degree (“laurea”), Turin University, 1978 (summa cum laude)

EMPLOYMENT

1996-present Professor, University of California, Davis

1994 Visiting Scholar, Department of Economics, Harvard University

1990-1996 Associate Professor, University of California, Davis

1987-1990 Assistant Professor, University of California, Davis

1985-1987 Post-doctoral Research Fellow, Nuffield College, Oxford (U.K.)

PROFESSIONAL ACTIVITIES

Editorial Board member, *Synthese*, 2011- present.

Editorial Board member *Economics and Philosophy*, 2011-present and 2003-2005.

Corner Editor for Logic and Games, *Journal of Logic and Computation*, 2007-present

Editorial Board member, *Dialogues and the Games of Logic: A Philosophical Perspective* series, College Publications, 2007-present.

Editor, *Economics and Philosophy*, 2005 - 2010

Associate Editor, *Knowledge, Rationality and Action*, 2003-2011

Associate Editor, *Bulletin of Economic Research*, 2000-2014.

Advisory Board member, *Texts in Logic and Games* series, Amsterdam University Press, 2006-2010.

Editorial Board member, *The Games of Logic: A Philosophical Perspective* series, College Publications, 2007-present.

Organizer, Eleventh Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT11), University of Bergen, Norway, July 27-30, 2014.

Organizer, Interdisciplinary Workshop "Game Theory at UC Davis" (April 25, 2014).

Organizer, session on *Epistemic issues in game theory*, Society for the Advancement of Economic Theory Conference (SAET 13), Paris, July 24, 2013

Organizer, Tenth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT10), University of Sevilla, Spain, June 18-20, 2012

Organizer, Workshop on *Information processing, rational beliefs and social interaction*, Banff International Research Station, Canada, August 27-29, 2010.

Organizer, Ninth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT9), University of Toulouse, July 5-7, 2010.

Organizer, Workshop on *Information processing, rational belief change and social interaction*, Dagstuhl (Germany), August 23-27, 2009.

Organizer, Eighth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT8), University of Amsterdam, July 3-5, 2008.

Organizer, Workshop on *Formal Models of Belief Change in Rational Agents*, Dagstuhl (Germany), August 26-30, 2007.

Organizer, Seventh Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT7), University of Liverpool, July 13-15, 2006.

Organizer, Sixth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT6), Graduate School of Management, Leipzig, July 16-18, 2004.

Organizer, international conference on *Logic, Game Theory and Social Choice 3* (LGS3), Siena, September 11-14, 2003.

Organizer, Fifth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT5), ICER, Torino, June 28-30, 2002.

Organizer, Eighth conference on *Theoretical Aspects of Rationality and Knowledge* (TARK8), University of Siena, Italy, July 8-10, 2001.

Organizer, Fourth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT4), ICER, Torino, June 29-July 2, 2000.

Member, Scientific Committee, Interuniversity Center for Game Theory (Italy), 1999-2001.

Organizer, Third Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT3), ICER, Torino, December 17-20, 1998.

Organizer, International Workshop on *Interactive Epistemology in Dynamic Games and Games of Incomplete Information*, Venice, June 1998.

Organizer, Second Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT2), ICER, Torino, December 19-22, 1996.

Member Scientific Committee, *International Center for Economics Research*, Turin (Italy), 1991-1994

Referee for: *American Economic Review, Australian Economic Papers, Bulletin of Economic Research, Econometrica, Economic Journal, Economic Notes, Economics and Philosophy, Economics Letters, Erkenntnis, European Journal of Operational Research, Games and Economic Behavior, International Economic*

Review, International Journal of Game Theory, International Journal of Industrial Organization, International Review of Game Theory, Journal of Law Economics and Organization, Journal of Industrial Economics, Journal of Public Economic Theory, Knowledge, Rationality and Action, Mathematical Social Sciences, Oxford Economic Papers, Rand Journal of Economics, Research in Economics, Review of Economic Studies, Ricerche Economiche, Synthese, Risk, Decision and Policy, Theory and Decision, Zentralblatt für Mathematik, Handbook of Modal Logic (edited by J. van Benthem, P. Blackburn and F. Wolter, Elsevier, 2007)

Reviewer for: National Science Foundation,
Social Sciences and Humanities Research Council of Canada,
Natural Sciences and Engineering Research Council of Canada
Council of Physical Sciences of the Netherlands Organization for
Scientific Research (NWO)
Israel Science Foundation.

AWARDS

Tom Mayer Distinguished Teaching Award for the Academic Year 2005-2006.

PUBLICATIONS

1. 1985 Giacomo Bonanno (with E.C. Zeeman), "Limited Knowledge of Demand and Oligopoly Equilibria", *Journal of Economic Theory*, 35 (2), pp. 276-283.

CONTRIBUTIONS TO ACADEMIC CONFERENCES AND SEMINARS

- April 2014, Presented paper at the Interdisciplinary Workshop "Game Theory at UC Davis".
- July 2013, Presented paper at the Society for the Advancement of Economic Theory (SAET 13), Mines ParisTech, Paris.
- June 2012, Presented paper at the Tenth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT10), University of Sevilla, June 18-20, 2012.
- June 2012, Invited talk at the *First CSLI Workshop on Logic, Rationality, and Interaction*, Stanford University, June 1-3, 2012.
- July 2011, Presented paper at the Thirteenth conference on Theoretical Aspects of Rationality and Knowledge (TARK XIII), University of Groningen, The Netherlands, July 12 - 14, 2011.
- March 2011, Presented paper at the Workshop on *Reasoning about Interaction: From Game Theory to Logic and Back*, Dagstuhl, Germany, March 6-11, 2011.
- August 2010, Presented paper at the Workshop on *Information processing, rational beliefs and social interaction*, Banff International Research Station, Canada, August 27-29, 2010.
- July 2010, Presented paper at the Ninth Conference on *Logic and the Foundations of Game and Decision Theory* (LOFT9), University of Toulouse, July 5-7, 2010.
- July 2010, Invited talk at the Workshop on Epistemic Game Theory, SUNY Stony Brook, July 19-20, 2010.
- October 2009, Presented paper at Workshop on "Advances in Economic Theory", McGill University, Montreal (Canada).
- August 2009, Presented paper at Workshop on "Information processing, rational belief change and social interaction", Dagstuhl (Germany).
- May 2009, Invited talk at Workshop on "Language, communication and rational agency", Stanford University.
- March 2009, Presented paper at the workshop on "Reasoning about knowledge and rational action" in honour of Wiebe van der Hoek on his 50th birthday, University of Liverpool, UK.
- July 2008, Presented paper at the Eighth Conference on Logic and the Foundations of Game and Decision Theory (LOFT8), University of Amsterdam, The Netherlands.
- August 2007, presented paper at the Workshop on Formal Models of Belief Change in Rational Agents, Dagstuhl (Germany).

- June 2007, Invited talk at the symposium on “Knowledge representation”, Stanford University.
- February 2007, Invited talk at the Royal Netherlands Academy of Arts and Sciences Colloquium on “New perspectives on Games and Interaction”, Amsterdam.
- February 2007, Two invited lectures on the Epistemic Foundations of Game Theory, Master Class organized by the Royal Netherlands Academy of Arts and Sciences and the Institute for Logic, Language and Computation, Amsterdam.
- July 2006, Presented paper at the Seventh Conference on Logic and the Foundations of Game and Decision Theory (LOFT7), University of Liverpool (UK).
- April 28, 2006 Invited participant at the Workshop on Unawareness, Stanford University.
- August 2005 Invited talk at the conference on “Belief Change in Rational Agents: Perspectives from Artificial Intelligence, Philosophy, and Economics” Research Center for Computer Science, Schloss Dagstuhl (Germany)
- July 2004 Presented paper at the Sixth Conference on Logic and the Foundations of Game and Decision Theory (LOFT6), Graduate School of Management, Leipzig (Germany)
- June 2002 Presented paper at the Fifth Conference on Logic and the Foundations of Game and Decision Theory, ICER, Torino (Italy).
- July 2001 Presented paper at the Eighth conference on Theoretical Aspects of Rationality and Knowledge, University of Siena (Italy).
- July 2001 Invited lecture at the Fourteenth Meeting on Game Theory and Applications, Ischia (Italy).
- July 2000 Presented paper at the Fourth Conference on Logic and the Foundations of Game and Decision Theory, ICER, Torino (Italy).
- August 1999 Invited lecture at the conference on “Strategic Rationality in Economics”, Sant’Arcangelo di Romagna (Italy).
- December 1998 Presented paper at the Third Conference on Logic and the Foundations of Game and Decision Theory, ICER, Torino (Italy).
- June 1998 Presented paper at the International Workshop on Interactive Epistemology in Dynamic Games and Games of Incomplete Information, Venice
- May 1998 Invited lecture at the Seventh Annual CSLI Workshop on Logic, Language and Computation, Stanford
- July 1997 Delivered three invited lectures at the Workshop on Bounded Rationality and Economic Modeling, Interuniversity Center for Game Theory and Applications, Florence (Italy).
- June 1997 Presented paper at Caltech.

- December 1996 Presented paper at the Second Conference on Logic and the Foundations of Game and Decision Theory, ICER, Torino (Italy).
- August 1996 Invited talk at Summer Workshop on the Epistemic Foundations of Game Theory, Stanford Institute for Theoretical Economics, Stanford.
- March 1996 Presented paper at the University of Southern California.
- July 1995 Presented paper at the International Conference on Game Theory, S.U.N.Y. at Stony Brook.
- May 1995 Presented paper at the University of California, Riverside.
- July 1994 Presented paper at the International Conference on Game Theory, S.U.N.Y. at Stony Brook.
- March 1994 Presented paper at the joint Harvard/M.I.T. theory seminar.
- January 1994 Presented paper at North American Summer Meeting of the Econometric Society, Boston.
- August 1993 Invited talk at Summer Workshop on the Epistemic Foundations of Game Theory, Stanford Institute for Theoretical Economics, Stanford.
- July 1993 Presented paper at the International Conference on Game Theory, S.U.N.Y. at Stony Brook.
- July 1992 Presented paper at the International Conference on Game Theory, S.U.N.Y. at Stony Brook.
- September 1991 Invited seminar at the University of Arizona, Tucson.
- July 1991 Presented paper at the International Conference on Game Theory, S.U.N.Y. at Stony Brook.
- August 1990 Presented paper at the 6th World Congress of the Econometric Society, Barcelona
- June 1989 Presented paper at North American Summer Meeting of the Econometric Society, University of Michigan
- December 1988 Presented paper at North American Winter Meeting of the Econometric Society, New York
- April 1988 Invited seminar, Stanford University
- December 1987 Presented paper at North American Winter Meeting of the Econometric Society, Chicago
- November 1987 Invited seminar at University of California, Berkeley
- August 1987 Presented paper at the Second Annual Congress of the European Economic Association, Copenhagen
- June 1987 Presented paper at the Fourth European Meeting on the Economics of Information, ENSAE, Paris
- April 1987 Invited seminars, Universities of Bologna, Florence and Turin

- August 1986 Presented paper at the European Summer Meeting of the Econometric Society, Budapest
- August 1986 Presented paper at the First Annual Congress of the European Economic Association, Vienna
- September 1985 Presented paper at X Symposium on Economic Analysis, Barcelona
